I. Prohibition on Use of Program Grant Funds

As specified in 45 C.F.R. §§ 2553.91, while charging time to a Retired Senior Volunteer Program, accumulating service, or training hours, or otherwise performing activities supported by the Retired Senior Volunteer Program or CNCS, staff and volunteers may not engage in the following activities:

1. Political activities.

a. No part of any award shall be used to finance, directly or indirectly, any activity to influence the outcome of any election to public office, or any voter registration activity.

No project shall be conducted in a manner involving the use of funds, the provision of services, or the employment or assignment of personnel in a matter supporting or resulting in the identification of such project with:

- i. Any partisan or nonpartisan political activity associated with a candidate, or contending faction or group, in an election; or
- ii Any activity to provide voters or prospective voters with transportation to the polls or similar assistance in connection with any such election; or
- iii Any voter registration activity, except that voter registration applications and nonpartisan voter registration information may be made available to the public at the premises of the sponsor. But in making registration applications and nonpartisan voter registration information available, employees of the sponsor shall not express preferences or seek to influence decisions concerning any candidate, political party, election issue, or voting decision.

b. Notwithstanding 42 U.S.C. § 5043(c), 45 C.F.R. §§ 2553.91 (a)(3), language in CNCS's current appropriations legislation, as well as language in past appropriations

legislation, provides that recipients are not permitted to use funds appropriated to CNCS used to pay the salary or expenses of any grant or contract recipient, or agent acting for such recipient, related to any activity designed to influence the enactment of legislation, appropriations, regulation, administrative action, or Executive order proposed or pending before the Congress or any State government, State legislature or local legislature or legislative body, other than for normal and recognized executive-legislative relationships or participation by an agency or officer of a State, local or tribal government in policymaking and administrative processes within the executive branch of that government.

2. Non-displacement of employed workers. A Retired Senior Volunteer Program Volunteer shall not perform any service or duty or engage in any activity which would otherwise be performed by an employee of the sponsor or which would supplant the hiring of or result in the displacement of employees, or impair existing contracts for services.

3. Compensation for service. A Retired Senior Volunteer Program agency or organization to which RSVP volunteers are assigned, or which operates or supervises any RSVP program shall not request or receive any compensation from RSVP volunteers or from beneficiaries for services of RSVP volunteers.

- i The regulations do not prohibit a sponsor from soliciting and accepting voluntary contributions from the community at large to meet its local support obligations under the grant or from entering into agreements with parties other than beneficiaries to support additional volunteers beyond those supported by CNCS award;
- ii A volunteer station may contribute to the financial support of the Retired Senior Volunteer Program. However, this support shall not be a required precondition for a potential station to obtain Retired Senior Volunteer Program services.
- iii If a volunteer station agrees to provide funds to support additional Retired Senior Volunteer Program volunteers or pay for other volunteer support costs, the agreement shall be stated in a written Memorandum of Understanding. The sponsor shall withdraw services if the station's inability to provide monetary or in-kind support to the project under the Memorandum of Understanding diminishes or jeopardizes the project's financial capabilities to fulfill its obligations;
- iv Under no circumstances shall a Retired Senior Volunteer Program volunteer receive a fee for service from service recipients, their legal guardian, members of their family, or friends.

4. Labor and anti-labor activity. The sponsor shall not use grant funds directly or indirectly to finance labor or anti-labor organization or related activity.

5. Fair labor standards. A sponsor that employs laborers and mechanics for construction, alteration, or repair of facilities shall pay wages at prevailing rates as

determined by the Secretary of Labor in accordance with the Davis-Bacon Act, as amended, 40 U.S.C. 276a.

6. **Religious activities.** A Retired Senior Volunteer Program volunteer or a member of the project staff funded by CNCS shall not give religious instruction, conduct worship services or engage in any form of proselytization as part of his or her duties.

i A sponsor or volunteer station may retain its independence and may continue to carry out its mission, including the definition, development, practice, and expression of its religious beliefs, provided that it does not use CNCS funds to support any inherently religious activities, such as worship, religious instruction, or proselytization, as part of the programs or services funded. If an organization conducts such activities, the activities must be offered separately, in time or location, from the programs or services funded under this part.

7. **Nepotism.** Persons selected for project staff positions shall not be related by blood or marriage to other project staff, sponsor staff or officers, or members of the sponsor Board of Directors, unless there is written concurrence from the community group established by the sponsor under Subpart B of this part and with notification to the Corporation

J. EXTERNAL AND DATA COLLECTION

The grantee must cooperate with the Corporation and its evaluators in all monitoring and evaluation efforts. As part of this effort, the grantee must collect and submit certain project data, as defined in the Project Profile and Volunteer Activity (PPVA) and must provide data as requested or needed to support external evaluations.

K. LOBBY DISCLOSURE

For grant awards exceeding \$100,000, pursuant to 31 U.S.C. 1352, the Grantee is required to file a disclosure report, Standard Form LLL, Disclosure of Lobbying Activities, at the end of any quarter, when the Grantee has paid or agreed to pay any lobbying entity for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with a covered Federal action. The report must be submitted to the Corporation State Program Director.

Individual program guidance determines the due date for the reports.
5. **Requests for Extensions.** Each grantee must submit a financial report by the given dates. Extensions of reporting deadlines will be granted only when 1) the report cannot be furnished in a timely manner for reasons, in the determination of CNCS, legitimately beyond the control of the grantee, and 2) CNCS receives a written request explaining the need for an extension before the due date of the report.

Extensions of deadlines for financial reports may only be granted by the Field Financial Management Center (FFMC), and extensions of deadlines for progress reports may only be granted by the Program Office.

6. **Other.** The recipient shall meet as necessary with the CNCS Program Office or with other staff or consultants designated by the CNCS Program Official to exchange views, ideas, and information concerning the project. 2. **Budgetary Changes.** The grantee must obtain the prior written approval of CNCS's Field Financial Management Center (FFMC) before deviating from the approved budget in any of the following ways:
 - a. Specific Costs Requiring Prior Approval Before Incurrence under 2 CFR § 200.407. Examples of costs requiring prior written approval before they are allowed include rearrangement and alteration costs, and pre-award costs.
 - b. Purchases of Equipment over \$5,000 using grant funds, unless specified in the approved application and budget.
 - c. The Federal awarding agency may, at its option, restrict the transfer of funds among direct cost categories or programs, functions and activities for Federal awards in which the Federal share of the project of such transfers exceeds or is expected to exceed 10 percent of the total budget as last approved by the Federal awarding agency. The Federal awarding agency cannot permit a transfer that would cause any Federal appropriation to be used for purposes other than those consistent with the appropriation.
3. **Approvals of Programmatic and Budget Changes.** CNCS's Grants officers are the only officials who have the authority to alter or change the provisions or requirements of the grant. Programmatic changes also require final approval of CNCS's Field Financial Management Center (FFMC) after written recommendation for approval is received from the Program Office. The Grants Officers will execute written amendments, and Recipients should not assume approvals have been granted unless documentation from the Grants Office has been received.

ATTACHMENTS

Grant Program Civil Rights and Non-Harassment Policy

The Corporation for National and Community Service (CNCS) has zero tolerance for the harassment of any individual or group of individuals for any reason. CNCS is committed to treating all persons with dignity and respect. CNCS prohibits all forms of discrimination based upon race, color, national origin, gender, age, religion, sexual orientation, disability, gender identity or expression, political affiliation, marital or parental status, or military service. All programs administered by, or receiving Federal financial assistance from CNCS, must be free from all forms of harassment. Whether in CNCS offices or campuses, in other service-related settings such as training sessions or service sites, or at service-related social events, such harassment is unacceptable. Any such harassment, if found, will result in immediate corrective action, up to and including removal or termination of any CNCS employee or volunteer. Recipients of Federal financial assistance, be they individuals, organizations, programs and/or projects are also subject to this zero tolerance policy. Where a violation is found, and subject to regulatory procedures, appropriate corrective action will be taken, up to and including termination of Federal financial assistance from all Federal sources.

Slurs and other verbal or physical conduct relating to an individual's gender, race, ethnicity, religion, sexual orientation or any other basis constitute harassment when it has the purpose or effect of interfering with service performance or creating an intimidating, hostile, or offensive service environment. Harassment includes, but is not limited to: explicit or implicit demands for sexual favors; pressure for dates; deliberate touching, leaning over, or cornering; offensive teasing, jokes, remarks, or questions; letters, phone calls, or distribution or display of offensive materials; offensive looks or gestures; gender, racial, ethnic, or religious baiting; physical assaults or other threatening behavior; or demeaning, debasing or abusive comments or actions that intimidate.

CNCS does not tolerate harassment by anyone including persons of the same or different races, sexes, religions, or ethnic origins; or from a CNCS employee or supervisor; a project, or site employee or supervisor; a non-employee (e.g., client); a co-worker or service member.

I expect supervisors and managers of CNCS programs and projects, when made aware of alleged harassment by employees, service participants, or other individuals, to immediately take swift and appropriate action. CNCS will not tolerate retaliation against a person who raises harassment concerns in good faith. Any CNCS employee who violates this policy will be subject to discipline, up to and including termination, and any grantee that permits harassment in violation of this policy will be subject to a finding of non-compliance and administrative procedures that may result in termination of Federal financial assistance from CNCS and all other Federal agencies.

Any person who believes that he or she has been discriminated against in violation of civil rights laws, regulations, or this policy, or in retaliation for opposition to discrimination or participation in discrimination complaint proceedings (e.g., as a complainant or witness) in any CNCS program or project, may raise his or her concerns with our Office of Civil Rights and Inclusiveness (OCRI). Discrimination claims not brought to the attention of OCRI within 45 days of their occurrence may not be accepted in a formal complaint of discrimination. No one can be required to use a program, project or sponsor dispute resolution procedure before contacting OCRI. If another procedure is used, it does not affect the 45-day time limit. OCRI may be reached at (202) 606-7503 (voice), (202) 606-3472 (TTY), eo@cns.gov, or through www.nationalservice.gov.
